CHRISTMAS WINDOW COMPETITION

"Through tough times, we were the light... love and appreciate each other. Merry Christmas"

Following a last minute relocation, our Christmas window display can now be found at the Renaissance Restaurant in Wharfside overlooking the harbour. The peg people look so lovely and people dining in there commented to say how nice it was that every child in our school is represented!

To vote please follow the link; www.lovepenzance.co.uk/christmas-window-comp/

Red Class

Red class have enjoyed learning about number four and five. They have found groups of objects matching the numbers around the room and problem solved to find more or less. Here we are in action...

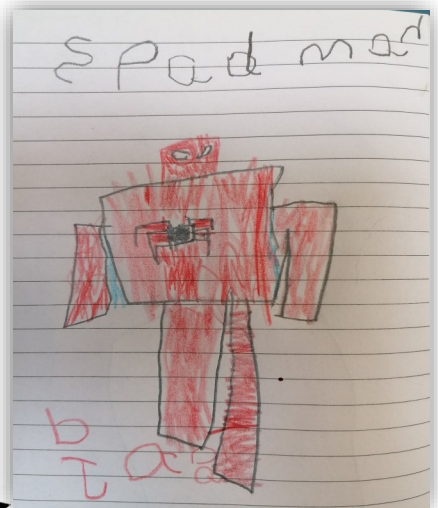

Learning outdoors

The children have been exploring the natural materials outdoors. They collected sticks and leaves to make fires together (pretend of course)

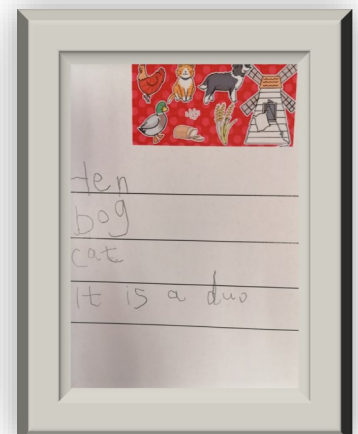

Our drawing development is really progressing– take a look at this picture of Spiderman. We are learning to write down the sounds we can hear to label pictures

Our key stories

We have enjoyed acting out the story of 'What the Ladybird heard' and writing a list of the animals in 'The Little Red Hen' story.

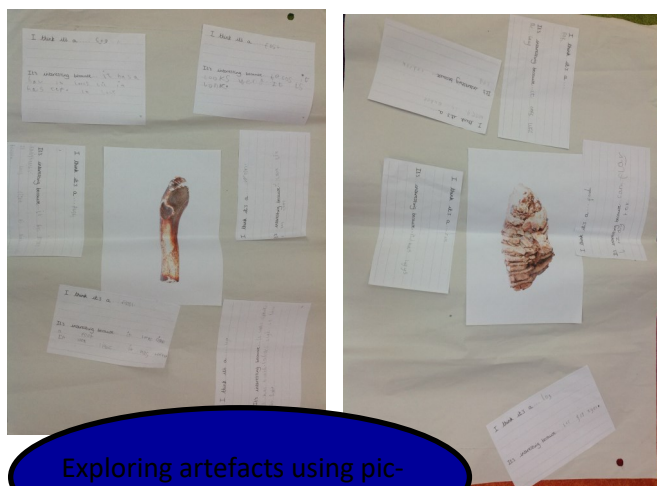

Orange Class

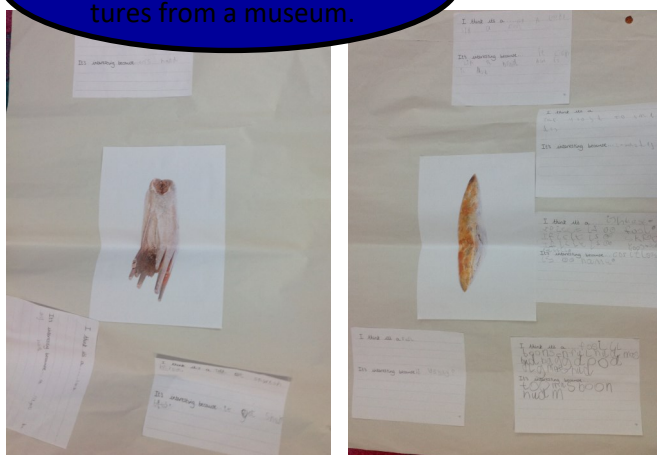

The excitement of Christmas is definitely building in Orange Class! The children have been working really hard in preparation for the Christmas play and have really impressed us with how quickly they have learnt the songs. It has also been a busy couple of weeks in the classroom. We have been exploring artefacts and how it feels to be a historian. The children have been doing some great historical enquiry!

Shapes!

This week we have been describing and categorising shapes and looking for them in the environment around us. We are also learning key vocabulary needed when describing shapes. How many 3D shapes can you find at home? We would love you to go on a shape hunt and send us your photos via Dojo!

Exploring artefacts using pictures from a museum.

Library Books

This week we have ventured to the library for the second time. Library day is Wednesday. Please remember to return your book each week.

Please bring a jam jar next week for a Christmas activity we have planned.

Yellow Class

Religious Education

Yellow Class are enjoying our unit focusing on Christianity. This week we explored what we are feeling grateful for this Christmas.

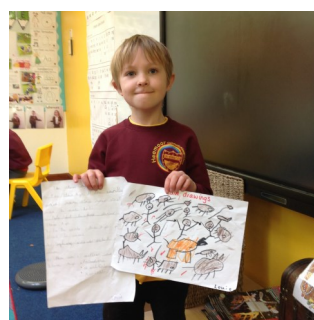

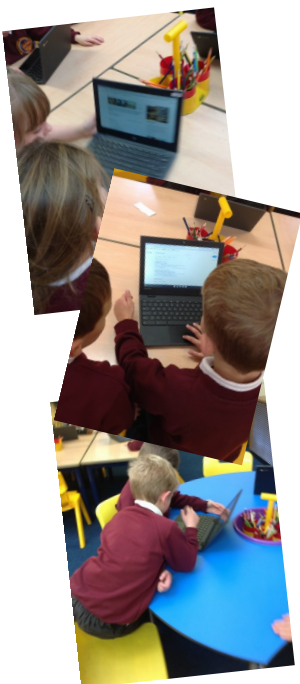

Dance

Our current PE unit explores creating group dance sequences based on animals!

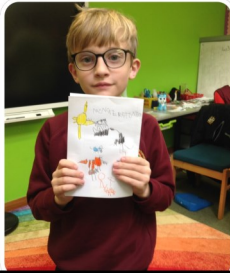

The Stone Age

We are loving our new project. There has been lots of research and beautiful homework taking place! Don't forget, there are lots of options for homework on our Homework Grid.

Green Class

Recently, Green Class were lucky enough to visit Heamoor School's beautiful library. We chose books to take home and read, as well as designing book covers for our favourite books.

Green class have continued to enjoy growing our knowledge of the Bronze Age. We have recently learned all about the Bell Beaker culture from this period, and we took lots of time to design and make our very own bell beakers!

Blue Class

We continued our exploration of The Iron Man in our Novel Study lessons, and learnt about agriculture and farming during the Bronze Age.

Our Christmas tree is up (thank you Amalie & Sophia) and we are enjoying practicing the Christmas performance every day. We can't wait to perform it to you!

We have been working hard this week completing our Autumn term assessments.

Indigo Class

Dia de los Muertos

In their Spanish lessons, as well as learning the Spanish language, Indigo Class have been finding out about 'Dia de los Muertos' or the Mexican 'Day of the Dead'.

One of the most well-known aspects of this celebration is the depiction of skulls (calaveras) and skeletons (calacas) which the children have had fun designing.

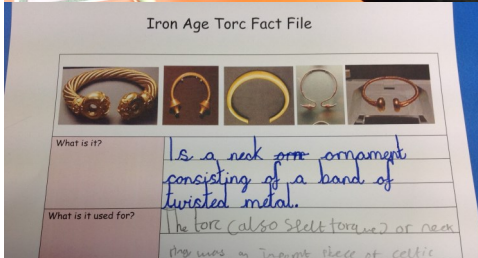

Bikeability Training

Children in Year 5 and 6 have been taking part in 'Bikeability' training, the government's national cycle training programme which helps children learn practical skills and understand how to cycle on today's roads. They all had a great time throughout their three sessions and all received certificates and badges. Well done to all of you!

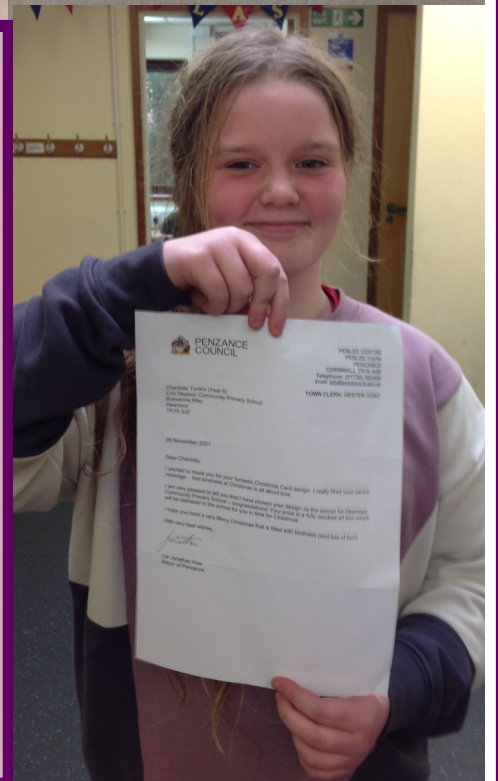

Violet Class

Wow! We can't believe it is December already! Violet Class have had a busy few weeks learning lots about the Iron Age! We have learned about torcs, roundhouses and written persuasive texts encouraging people to purchase Iron Age tools! As well as this, we have also created mini Christmas cards with compliments to our classmates. Throughout the month of December, several children per day will receive their compliment and small treat to help us celebrate advent. Violet Class have also been learning our songs (and lines) for the Christmas performance! We can't wait for you to see it!

A HUGE congratulations to Charlotte who is the Heamoor School winner of the Mayor's Christmas card competition! She received her letter of confirmation and has won an art box for her fabulous design! Well done Charlotte—we are SO proud!

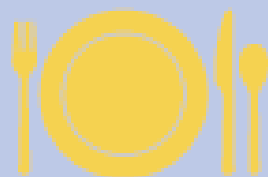

MOUNTS
BAY

Christmas Active Holiday Club

20th - 23rd December 2021

Mounts Bay Academy TR18 7JT

**FREE HOT MEAL
INCLUDED**

Our Christmas programme promises to deliver massive amounts of fun, play and activity! Our full program will provide children the chance to discover a new range of exciting activities that will be engaging, lots of activity, new games, play, wellbeing and much more.
