

Friday 5<sup>th</sup> June 2020.

Look at Miss Mathews' Maths PowerPoint based on '**Time**'. Work through the PowerPoint and answer the independent questions at the end. Use a real clock to help you if you get stuck.

It's Miss Mathews' birthday!  
Make a party hat with materials at home and send me a picture on Class Dojo of you wearing it 😊  
(My example is on the next page!)

Look at the image on the next page  
(**Grandpa's farm**):

- How are the hay bales floating?
- What are the two people thinking?
- What are they going to do about it?

Practice your **adverbs** by taking it in turns to enter the room in one of the following ways: Angrily, carelessly, calmly, carefully, excitedly, fast and happily.

Read for at least 10 minutes.

Can you keep up with Maximo in the Chicken Dance???

My party hats!
