

Home Learning Grid - Violet Class

Read It	Write It	Paint It	Build It	Research it
Read about an endangered species	Write down 10 questions about ANYTHING you want to know the answer to	Choose a famous picture and recreate it using any medium	Create your own musical instrument	Now research the answer to your 10 questions!
Read an animal poem	Write a poem from the point of view of an animal	Look at examples of self-portraits and then try to create your own	Build a boat from any material and see how many marbles/Lego people it can hold	Why don't ships sink when they are made of heavy materials?
Read a biography/autobiography of a famous person in history - who did you choose and why?	Write a letter to your favourite author (you could even post it to them!)	Design your perfect world - what animals would you include and why?	Build a bug hotel in your garden	Complete some more research about the famous person you chose to read about
Read a story about space	Write a story based on alien life on one of the eight planets in our solar system (you could write it about aliens on Earth, too!)	Paint/sketch one of the planets in our solar system	Create a diorama of the solar system from any material	Research the atmosphere of one of the planets in our solar system
Read about the actual moon landing	Keep writing your diary entry for each day you are not in school (include details about what you have done and your feelings)	Create an image using geometric shapes (you might have to practise this a few times!)	Build something unique from Lego	Which animal makes the best pet?
