

Dear Mum,

I am in the forest somewhere. When the Pied Piper started to play, I couldn't stop myself from dancing! Have you ever heard music like that before? Amazing!

We left the city and followed the piper South, dancing all the way! I think I've set a world record for non-stop dancing!

I've had lots of fun because all my friends are here! I do miss home though, it feels like we've travelled a long way.

Why didn't The Mayor of Hamelin pay the Pied Piper? That wasn't fair! I need you to tell The Mayor to do the right thing. It is important that he gives the gold to the Pied Piper and then we can come home.

See you soon!

Love from Annie
