heamoor.school.co.uk

After the covid-enforced break, it is so lovely to see our After-School clubs up and running again. Here is a selection of photos of them in action. More photos will be made available on the "School Life" section of our website.

You did it!
Congratulations

Congratulations to Miss Reeves and her team mates "Ysella's Robins" who took part in the 'Race the Sun' competition.

Not only did they conquer the incredibly challenging bike, hike and kayaking challenges, they also raised a staggering **£3000** for Action Medical Research. We are so proud of you Miss Reeves! Well done!

Last weekend, Miss Glover completed the "Intotri" triathlon series - Miss Glover not only managed to achieve **1st place** in her age group but also achieved **3rd place** over the whole series!

An amazing accomplishment and we are very proud of you!

Well done!

Red Class

Red class now are enjoying taking part in the morning routine, signing themselves in, working on their fine motor skills and sharing stories with a friend.

Exploring Outdoors

The children loved visiting our very own school forest. We spotted many signs of Autumn and we have used this experience to take part in some observational drawing. We loved taking part in some home learning and were able to stand at the front and talk about what we found on woodland walks with our families.

The Owl Babies

We have enjoyed reading the story of the 'The Owl Babies.'

We have sequenced the story, learned about different types of Owls, their preferred diet and habitats. Here we are acting out the story and cooking up an owlet treat in the mud kitchen.

Orange Class

This week we have been looking at the Cornish artist, Sue Read. The children looked at what inspires her work and worked in groups to discuss what they like about her work. They found out many facts about her and then created their own interpretations of her piece 'Cornish Sparkle'

Swimming

Orange class are making great progress with their swimming. If you could provide your child with goggles then this would be really helpful as they are starting to venture underwater!

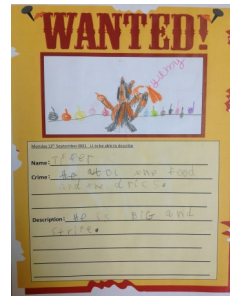

Yellow Class

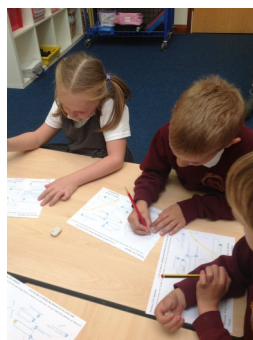

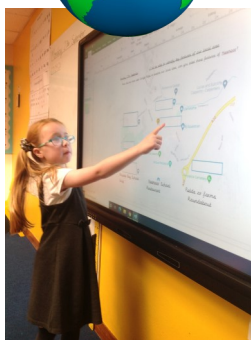

A Special Visitor

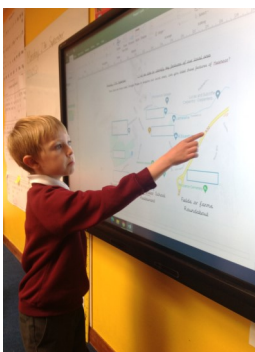

Yellow Class were amazed to find that the Tiger from the story we have been learning 'The Tiger Who Came To Tea' visited our classroom. He left quite a mess!

Our World Project

We have loved finding out about where we live this week, locating England on a world map, using Google Maps to explore our locality and identifying Cornish landmarks using aerial photography.

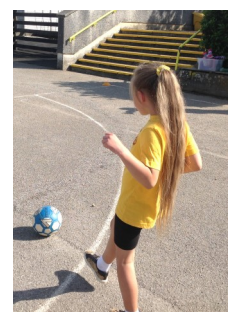

Green Class

Fantastic Football-

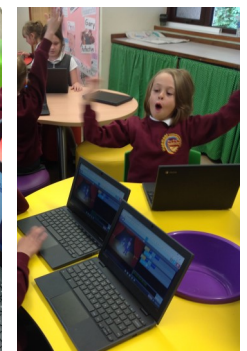

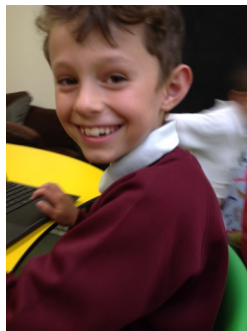

Green Class have been showing off their brilliant football skills in our PE sessions over these past weeks. We have been working on dribbling with the ball, and passing!

Crackers about Computing!

Over the last couple of weeks, Green Class have been building their skills and knowledge of coding, algorithms, and sequences within our Computing lessons. As you can probably tell, the lessons have been fairly popular!

Blue Class

We have had a lovely few weeks in Blue Class. Blue Class pupils have been creating birds, flowers and butterflies out of recycled materials, feathers and tissue paper for our Blue Class display. We have been learning about the importance of recycling (and exploring "Our Planet" with the help of an Oliver Jeffers book, "Here We Are").

Blue Class have been enjoying their PE lessons through taking part in yoga, dance and basketball.

It has been so lovely getting back to 'Normal school' life with everyone!

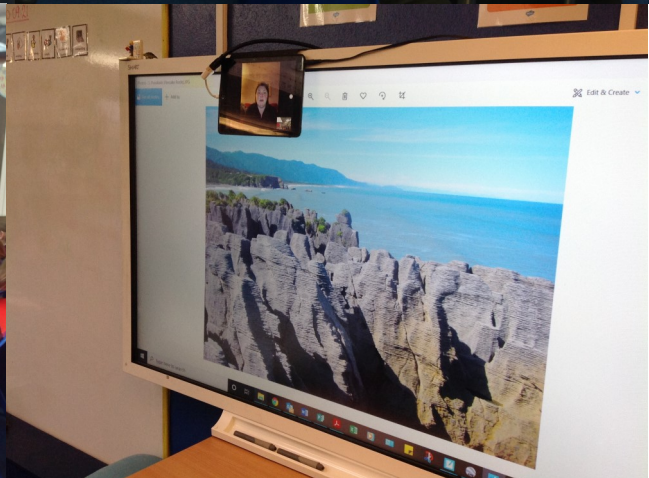

Indigo Class

On Thursday, Indigo Class 'met', via video link, Mr Davies' sister who lives in Wellington, New Zealand. She told us all about the climate and landscape of the country and then about what it's like to live in an earthquake zone. We asked lots of questions to find out about the human and physical effects of earthquakes.

She showed us her earthquake survival kit, that includes a wind up torch which doubles up as a phone charger *and* a portable radio!

Violet Class

Violet Class have been working hard over the last few weeks to improve our writing stamina and follow feedback. We have already finished our first novel in novel study (and increased our confidence answering a range of questions! AMAZING!). We have been visited by Humphry Davy pupils who talked to us about life in secondary school! As well as this, we have also LOVED reading to Red and Orange Class each Wednesday!!

I enjoy reading with Red because it is really nice to see their faces light up when you are reading them an amazing book!

Help us get FREE gardening equipment for our school

It's Good to Grow
from Morrisons

Majority of stores and online. Minimum spend. Conditions and exclusions apply. itsgoodtogrow.co.uk/terms

Please help us to get free gardening equipment courtesy of Morrisons. To take part, join 'MyMorrisons' and "swipe each time you shop to collect Grow Tokens". One token for every £10 spent between 6th Sept & 24th Oct (i.e. before the beginning of the half term holiday!) **Thankyou!**

To get started:

1 Sign up to MyMorrisons today. Simply go to mymorrisons.com or download the MyMorrisons app

Once registered you can collect **Grow Tokens** for any shopping you do online or in store

Remember to use your card each time you shop!

3 On your first visit to MyMorrisons you'll be asked to select the school you'd like to donate your **Grow Tokens** to

4 Then after each shop log onto your MyMorrisons account and donate

Scan to download the app

LOVE TO SING?

CORNWALL COUNTY CHOIRS

Cornwall Music Education Hub

Together for Families

using public funding by

ARTS COUNCIL ENGLAND

If you have a LOVE and TALENT for singing, join us for a taster session and audition at one of our rehearsals. We sing many different styles of music and work with professional vocal mentors. The choirs have performed at many venues across the country and we will be returning to perform at the Royal Albert Hall in November 2021.

You can audition for the following choirs:

Cornwall Boys and Cornwall Girls
(Y4 - Y7/8)

Cornwall County Youth Choir
(Y7/8 depending on voice maturity - Y13)
