Red Class visited Godolphin House to finish their topic on Mini Bees.

We searched for bugs using pooters, we used the bare foot trail and got REALLY muddy and we found Bee Hives and learnt lots of new things about Bees.

... to **Jane Crosse** for donating plants for Orange Class outdoor garden and also thanks to **Miss Crosse** for turning the area into a wonderful learning space.

Last Friday morning eight Year Six children embarked on a journey they will surely never forget. Accompanied by Mr Caldwell, Mrs Tregarthen and Mr Davies, these brave souls travelled to Princetown in the heart of Dartmoor, donned their walking boots and hiked the moorland over two gruelling days. Many adventures were had along the way, including leet jumping, tunnelling and even goblin hunting. They covered 20 miles over the two days and spent the night camping along with a number of other participating schools. We are so proud of their achievement so well done to Isis Payne, Holly Stevens, Lara Sekanina, Evie James, Ethan Leah, Hamish Bottrell, Ned Oliver and Harvey Wilson.

GREEN CLASS SLEEPOVER

On the Friday before half-term, Green Class spent the day in Plymouth. They visited the National Marine Aquarium where they learned all about the wonderful creatures around our coasts and in the oceans of the world. They then raised their heart rates a little at 'Adrenalin' urban activity park where they spent an hour bouncing, twisting and running across tumble tracks and trampolines. They stopped for a well-earned pizza at Pizza Hut before returning to school for a movie and sleepover. Such a fun day!
