

# THE LAND OF NEVERBELIEVE

## HOME STUDY DAY GRID

Read it	Draw it	Build it	Write it
<p>Find out about recently discovered species.</p> <p>These could be on land, or underwater.</p> <p>Where in the world were they found?</p> <p>What type of creature/plant is it - how could you classify it?</p>	<p>Draw a map of your own 'Neverbelieve' island.</p> <p>Include as much detail as possible:</p> <p>What are the different areas on the island?</p> <p>Are there houses/villages?</p> <p>Forests/woodlands?</p> <p>Beaches, coves, caves?</p> <p>Mountains?</p> <p>Rivers?</p>	<p>Build a model of something found on your island. You could use Lego, recycled materials, paper mache etc.</p> <p>It could be a mountain, a type of creature, a plant/tree, or a model of the whole island if you are feeling ambitious!</p>	<p>Imagine you are the explorer who has found your island and you are writing about what you have found, what the island is like and you are trying to persuade people to visit.</p> <p>This could be in the style of Norman's book, a travel guide, a diary etc.</p>
<p>There are copies of some of the pages from the Neverbelieve book on the back of this sheet for you to use, to copy the style of Norman's record of his visit to the island.</p>			

Please bring in your homework on Wednesday 10<sup>th</sup> July, to help create our own Violet Class 'Neverbelieve' exhibition!
