

Red Class News

Friday 1st March 2019

I have had an amazing first week in Red class. Getting to know the children has been a pleasure and I look forward to us all creating some fantastic learning memories together. It has also been a good opportunity for me to meet some parents and carers at the door at the end of the day.

I will take this opportunity now to say that should any parent or carer have any concerns or anything at all that they wish to share with me then I am always available after school.

This week the children have been enjoying 'Science week' and have been experimenting with lots of materials both inside and outside in our areas and have been having lots of fun. They have also taken advantage of the fantastic unseasonal weather we've been having and found themselves enjoying our superb outdoor area all week.

For the next 6 weeks our topic in school is;

'People that help us'.

This topic will allow the children to learn about the important roles that firefighters, police officers, medical staff and the RNLI play in keeping us safe.

Please make sure your child has their wellies in school everyday.

Have a lovely weekend,
Mr Savage

Phonics

Quick reminder: You are invited to our....

Phonics Information Session

Miss Blayney is our school phonics lead.

She would like to invite you to an information session on Wednesday 6th March at 2:30pm. This will be a great opportunity for parents to understand how best to support children with phonics at home, and for us to explain how we teach phonics in school. We hope you can make it!

Please could we ask that children have a couple of pairs of spare clothes in their bag each day, this helps us if we need to change your child after their muddy adventures! Please make sure you include lots of socks!

Weekend challenge:

Learn your address and practise what you would say if you had to ring 999.
