## Write It

Research The Beatles and create a fact sheet about them.  
For example:  
*Who were they?*  
*When did they start?*  
*How many songs/albums did they do?*

Please include at least 10 facts.  
Can you add one you think others might not know?

## Paint It

Design a CD, or vinyl record sleeve for a band from the '60s or '70s.

For example:

## Build It

Make a piece of jewellery inspired by the '60s and '70s.

## Do It

Spend half an hour listening to music from the '60s and '70s.  
Create a 'word cloud' with words associated with music.

For example:

*What was the song about?*

*Who was it by?*

*What was the name of the song?*

*How did it make you feel?*

*Can you remember any of the words or phrases?*

*What was in the chorus?*

*Which instruments could you hear?*
