

Monday 18th May 2020.

Visit

<https://whiterosemaths.com/homelearning/year-3/> and start Summer Term - Week 5. Watch the video and complete the activity in your home learning book. The activity will no longer be on the White Rose website and instead will be on our class page.

Listen to **the final part of** The Witches - Chapter 22 'It's Off to Work We Go!' **Part 2** and complete the Novel Study questions afterwards. Remember to answer the questions in full **(questions on next page)**.

Fact or opinion?

- Pandas are cuter than meerkats.
- The Eiffel Tower is in France.
- Apples grow on trees.
- Ice cream is horrible.
- Miss Mathews is funny enough to be a comedian.
- If you mix red and yellow, you get orange.

Count how many steps it takes you to get from one side of the room to the other. Which room takes the **most** steps?

You come across a closed door.
What's behind it?

Paint a picture to show how you are feeling. Using colours to help represent your emotions.

^^ Chapter 22 **Part 2** voice recording. I will upload these to the website too in case the files do not open on here. If you find it hard to keep up with the voice recordings, google 'The Witches PDF' you will be able to find online copies of the book.

Novel Study questions below:

Awesome

1. Explain the boy's final plan to end all witch existence. Use 'first', 'next' and 'last' to help you lay it out.

I hope you enjoyed The Witches as much as I did! Soon I will come up with some extra questions for us to answer about the book as a whole 😊

Remember, QUALITY over
QUANTITY!

Ask an adult to help if you
can't read the questions.
