

Red Class News

Friday 15th March 2019

This week we have been looking at police officers and how they help us. We were lucky enough to have a visit from a police officer on Tuesday and the children all enjoyed taking turns trying on uniform and having their fingerprints taken!

Within this part of the topic we have been practising sticking words together to make a sentence and then writing it underneath. In maths we have been continuing our work with numbers 1-20 including ordering them and recognising each numeral. Next week we will be looking at forming the numbers which can be tricky so any practise the children can get at home would be fantastic.

Writing weekend challenge:

Can you write your name?

Maths weekend challenge:

Can you recognise numbers 1-10 or even beyond?

Home weekend challenge:

Can you dress yourself without grown up help?

Underwear shout out!

If you have any spare pants, socks or tights at home it would be fantastic if we could build up a store of underwear in school in case of emergencies!

Thank you.

'Making area'

From next week onwards I plan to introduce a 'making area' in the classroom that can be a place for children to build and develop their creativity.

If you have any empty bottles or boxes at home then bringing them in to start it off would be greatly appreciated.

Please make sure your child has their wellies in school everyday.

Please could we ask that children have a couple of pairs of spare clothes in their bag each day, this helps us if we need to change your child after their muddy adventures! Please make sure you include lots of socks!

Have a lovely weekend,

Mr Savage, Miss Graham, Mrs Rudlin and Miss Reeves.
