

LI: Write a letter from a character.

Something has gone terribly wrong in Hamelin! The townspeople are not happy.

Choose a character from the angry crowd in the picture.

Write a letter to the mayor complaining about the situation.

Include powerful words, eg:

Disaster, serious, horrified

Ask some questions:

How did you let this happen?

Give an instruction:

You need to rescue our children. Summon the police!

You greedy man!!
Our children have been
taken because you
wouldn't pay The Piper!
What a terrible thing
you've done!

Oi! We want our
children back! What are
you going to do about
it? Why did you keep
the gold?
This is all your fault!
Our poor children!

Now, now! Calm down please.

I didn't know that he would take our children!

I thought that I was doing a good thing by saving our town lots of money.

He must be a crook! A thief who steals gold or children!
Let's find him together, my friends.
