

## 1) Description

Bright beams of yellow light shone like lasers from the lantern room, illuminating the starry skyline and the crashing waves beyond.

## 2) Adverb

Merrily, the villagers laughed and chattered late into the evening, cheering and applauding every time the familiar light circled.

## 3) Where it is

Inside the stone walls, behind his desk, writing thoughtfully, sat the cantankerous old lighthouse keeper.

#### 4) Action

An unsuspected gust of wind tore through the open window, slamming the shutter closed and blowing out the flickering candle flame.

#### 5) Estimation of Time

For a moment the tavern fell still and silent as villagers, unnerved by the sudden darkness, wondered where the lamp light had gone.
