**Scarecrow Making** Every summer term Trengwainton Gardens commission the local artist John Keys to work with a couple of schools to create scarecrows for their walled kitchen garden. This year the children in Indigo Class were selected to participate and WOW! What fun we have had! Each year the scarecrows have a different theme and this year we have been looking at "100 years of women who changed the world.". Well done Indigo Class for all of your hard work and special thanks for all of the parents who helped.

# YEAR 6 LONDON 2018!

# MEET YOUR NEW TEACHER DAY!

Children had fun today beginning to get to know their new teacher and class TAs in what will be their new classrooms. Looking forward to September now!

# Grounds Week!

The children in Indigo, Blue and Green Class have had an incredible few days working on art for our school grounds! Watch out this space for their creations.

During Monday's assembly, the children found out about this summer's Reading Challenge. Dennis the Menace and Gnasher are leading the fight to keep children reading across Cornwall this summer. They are part of the **Summer Reading Challenge 2018**, which aims to get 4-11 year-olds to **borrow and read at least six library books during the school holidays**. This year's theme is Mischief Makers, and has been inspired by the classic children's comic 'Beano', which celebrates its 80th anniversary this year. The challenge is designed to prevent children from experiencing a dip in their reading skills during the six-week break from school.

To take part, all children need to do is to **visit Penzance library and sign up for the challenge for FREE**. They will then be given a colourful collector's edition map of Beanotown. As children read library books for the Summer Reading Challenge, they will receive special stickers, some with mysterious smells, find clues and discover the treasure, having lots of fun and adventures along the way. Certificates/ medals are awarded in September! Also see the website: [www.summerreadingchallenge.org.uk](http://www.summerreadingchallenge.org.uk)

**Blue Class** attended the Farmer's Market today and to prepare, we made some fabulous cakes! The children worked hard to design, evaluate and pick their favourites to bake.

Baking from scratch, including making their own coloured fondant to create the decorations, the cakes looked fantastic! Well done, Blue Class for designing and crafting your own 3D edible sculptures! Thank you as well to the children who brought in extra cakes for us to sell! If there are any cakes left over, we will be setting up a little stall on the playground at the end of the school day on Friday 13th! **HUGE thank you to Mrs Loder** for transporting the cakes to St John's Hall, your help was very much appreciated
